### KaZoing! Glamour parties transform girls into supermodels

By MICHAEL L. JONES

Girls love to play dress up. The KaZoing! Glamour parties at KaZoing! Party and Play let them take it a few steps farther. Not only do the birthday girl and her guests get to pick from more than 300 outfits, but they have their hair and nails done.

"Dressing up and getting their nails done is something that even grown women like to do," said Gary Gerdenmann, who owns KaZoing! Party and Play with his wife Karri. "A lot of the mothers stay around for this party. It is a real bonding experience. It is dress up to the 1000th power."

KaZoing! Glamour parties appeal to the supermodel within. Each KaZoing! Glamour girl participates in a fashion show and has a photo shoot in a New York-style photographer's studio. The party package also includes a keepsake photo and frame for each girl, party staff and supplies.

The KaZoing! Glamour parties usually last up to two hours. The birthday girl can invite up to 10 of her closest friends, although parents are always welcome. The whole experience costs \$225 during weekdays and \$240 on weekends. KaZoing! Party and Play will also supply pizza and drinks for an extra \$2.45 per person.
